

# COURSE LIBRARY

ONLINE WORKPLACE HEALTH AND SAFETY COURSES

## Engaging and Interactive Courses

UL's workplace health and safety course library offers self-paced training that is engaging, consistent and measurable. You and your trainees can access or manage training 24/7 from virtually any Internet-connected computer. All courses are developed by our team of certified safety professionals and adult learning experts, and are continuously updated to address compliance requirements. Our in-house Professional Learning Services team maximizes employee learning and retention with rich multimedia features including:

- High-quality course narration and text
- Superior high-resolution graphics, 3D animation and illustrations
- Challenging learning activities, knowledge checks and post-tests to reinforce and evaluate employee knowledge
- Intuitive course navigation and bookmarking

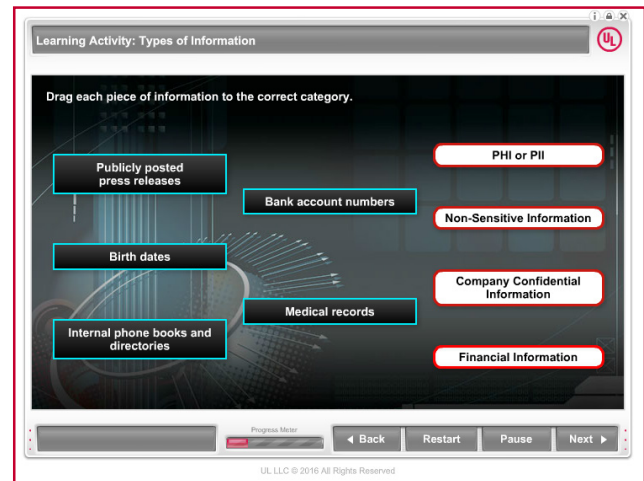

Our flexible delivery and pricing fit any environment, workflow or budget, and our Course Licensing options allow you to run our content on your learning management or enterprise software system.

All of UL's workplace health and safety courses conform with AICC and SCORM 1.2 requirements. They are certified to run on leading eLearning platforms including LRN Plateau and Saba. We have also successfully implemented our courseware on GeoLearning, Intralearn, KMSI, Knowbase Networks, Oracle iLearn, Pathlore, SumTotal, TEDS and many other platforms. We offer dedicated technical support and expert content development and customization services.

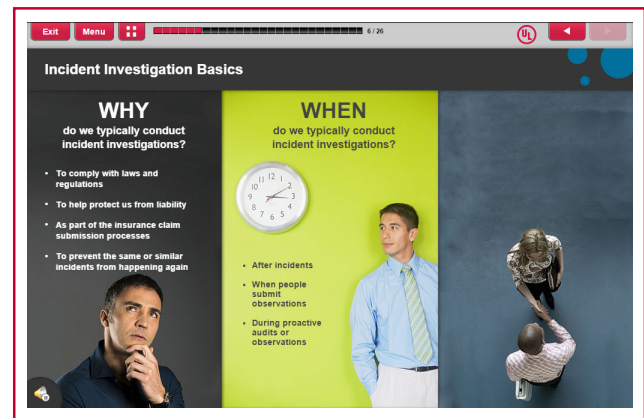

### COURSE LANGUAGE AVAILABILITY:

- |           |                        |
|-----------|------------------------|
| <b>E</b>  | = English              |
| <b>CF</b> | = Canadian French      |
| <b>G</b>  | = German               |
| <b>M</b>  | = Mandarin Chinese     |
| <b>P</b>  | = Brazilian Portuguese |
| <b>S</b>  | = Spanish              |

<b>F</b>	
<b>I</b>	
<b>J</b>	
<b>K</b>	

*Every course features engaging activities and knowledge checks to reinforce learning and retention.*

*All courses include intuitive navigation, high-resolution graphics and up-to-date information to create the ultimate learning experience.*

UL EHS Sustainability has been accredited as an Authorized Provider by the International Association for Continuing Education and Training (IACET).

## Earn Your OSHA Card

**OSHA 10**  
General Industry

**OSHA 10**  
Construction

**OSHA 30**  
Construction

### Complete OSHA 10 & OSHA 30 Training:

- Gain credentials required by many employers
- Immediately print your certificate of completion
- Receive your OSHA card by mail

### Food Service and Distribution Safety

Ammonia	<b>E</b>
Delivery Driver Safety	<b>E</b>
Delivery Procedures	<b>E</b>

## Workplace Health and Safety Library

### Food Service and Distribution Safety Cont'd

Food Safety, Basic Overview	E
Food Safety, Foodborne Pathogens	E
HACCP <b>BUNDLE</b>	
Principle 1: Conduct a Hazard Analysis	E
Principle 2: Determine the Critical Control Points	E
Principle 3: Establish Critical Limits	E
Principle 4: Establish Monitoring Procedures	E
Principle 5: Establish Corrective Actions	E
Principle 6: Establish Verification Procedures	E
Principle 7: Establish Record-Keeping and Documentation Procedures	E
HACCP Overview	E
Process Safety Management	E
Replenishing and Loading	E
Sanitation	E

### General Safety and Manufacturing

Accident Investigation and Root Cause Analysis	S E
Aerial Lifts	S E
Ammonia Awareness	E
Applying Electrical Standards	J S E
Arsenic Awareness	E
Asbestos Awareness – 4 Parts	E
Basic Rigging Principles – 2 Parts	D F G I M P J S E
Battery and Charger Safety	E
Bench Grinder Safety	E
Benzene Safety	E
Bloodborne Pathogens	D F G I M P C F J S E
Bloodborne Pathogens <b>MINI-MODULE</b>	E
Boating Safety	E
Chemical Facility Security Awareness Training	E
Chlorine Awareness	E
Cleaning Up Small Chemical Spills	E
Cold Stress	E
Combustible Dust	S E
Compressed Gas Cylinder Safety	C F S E
Confined Space Hazards	F M P S E
Confined Space Hazards <b>MINI-MODULE</b>	E
Confined Space Permit-Required	M K C F S E
Contractor Safety	M K E
CPR Training	E
Crane Hand Signaling – 2 Parts	S E
Crane Operator Safety	M K E
Crystalline Silica Awareness	E
Domestic Preparedness Awareness Overview	E
Domestic Preparedness Biological Terrorism	E

Dust Mask – Voluntary Use Guidelines	E
Egress and Emergency Action Plans	F M P S E
Egress and Emergency Action Plans <b>MINI-MODULE</b>	E
Electrical Arc Flash Awareness	E
Electrical Safety and Lockout/Tagout	C F E
Emergency Response for Multi-Story Buildings	E
Excavation and Trenching Safety	S E
Fall Protection for Mobile Equipment	S E
Fall Protection	F M P S E
Fire Extinguisher Safety	D F G I M P C F J K S E
Fire Prevention	S E
Fire Watch	S E
Flammable and Combustible Liquids	D F G I M P J S E
Grounding	E
Guarding Floor and Wall Openings and Holes	S E
Hand and Power Tool Safety	F C F S E
Hand, Wrist and Finger Safety	D F G I M P J S E
Hand, Wrist and Finger Safety <b>MINI-MODULE</b>	E
Hazard Communication – Labels	E
Hazard Communication – Pictograms	E
Hazard Communication – Safety Data Sheets	E
Hazard Communication	D F G I M P C F J S E
Hazard Communication <b>MINI-MODULE</b>	F M P S E
HAZWOPER Refresher Training <b>BUNDLE</b>	
Module 1 – Scope, Application and Training Requirements	S E
Module 2 – Environmental Issues for HAZWOPER	S E
Module 3 – Hazard Communication: Your Right to Know	S E
Module 4 – Hazard and Risk Assessment Techniques	S E
Module 5 – Toxicology	S E
Module 6 – Monitoring and Medical Surveillance	S E
Module 7 – Respiratory Protection	S E
Module 8 – Personal Protective Equipment	S E
Module 9 – Confined Spaces	S E
Module 10 – Spill Prevention	S E
Module 11 – Site Control	S E
Module 12 – Decontamination	S E
Module 13 – Emergency Response	S E
HAZWOPER Refresher Training <b>BUNDLE • INTERNATIONAL</b>	C F
Hearing Conservation	J S E
Hearing Conservation <b>MINI-MODULE</b>	E
Heat Stress	S E
Hexavalent Chromium	E
Hot Work	M K E
Housekeeping on the Job	D F G I M P J S E
Human Element	E
Hydraulic Safety Awareness	E

Hydrogen Sulfide Safety – 2 Parts	E
Industrial Ergonomics	D F G I M P J S E
Injury and Illness Prevention Program	S E
Installing a Photovoltaic (PV) System	E
Introduction to Industrial Hygiene	S E
Introduction to OSHA	E
Ionizing Radiation	E
Job Hazard Analysis	P E
Ladder Safety	S E
Laser Safety	E
Lead Poisoning Awareness	E
Lockout/Tagout	D F G I M P J S E
Lockout/Tagout <b>MINI-MODULE</b>	E
Logging and Chainsaw Safety	E
Machine Guarding	D F G I M P J S E
Machine Guarding <b>MINI-MODULE</b>	E
Materials Handling and Storage	D F G I M P C F J S E
Office Ergonomics	D F G I M P J K S E

Workplace Violence Prevention	

### Health and Wellness

Diet and Exercise	
Drug and Alcohol Awareness	
First Aid – Basics	
First Aid – Medical Emergencies	
First Aid for Back Pain	
Living a Less Stressful Life	
Tobacco and Smoking Awareness	
West Nile Virus	

### Healthcare

Bloodborne Pathogens – Blood and OPIM	
CPR Training	
Disruptive Behavior	
Electrical Safety	
Ergonomics	
Fire Prevention	
Fire Safety	
Formaldehyde	
Glutaraldehyde	
Hazard Communication	
Hearing Conservation	
Infection Control – Handwashing	
Infectious Materials Transporting – 2 Parts	

Laboratory Safety	
Laboratory Safety – Biohazards, 2 Parts	
Laboratory Safety – Overview of Exposures, 2 Parts	
Latex Allergy	
Legionnaires’ Disease	
Machine Guarding	
MDRO-MRSA	
Mercury Exposure	
Needlestick and Sharps Injuries	
Patient Handling	
PPE in the Healthcare Environment	
Prevention and Control of TB – 2 Parts	
Radiation Safety	
Slips, Trips and Falls	
TB in the Healthcare Environment	
Universal Precaution Risks	
Workplace Stress	
Workplace Violence Prevention	

### HR Employment Liability

Access to Medical and Exposure Records	
Behavioral Interviewing	
Being a Successful Team Member	
Code of Conduct	
Conducting Performance Reviews	
Conflict Management for Employees	
Conflict Management for Managers	
Cyber Security Awareness	
Diversity – Valuing Differences	
Drug and Alcohol Awareness	
Effective Supervision	
Family and Medical Leave Act – California	
Family and Medical Leave Act	
Health Insurance Portability and Accountability Act (HIPAA) Overview	
Managing a Successful Team	
Managing Stress for Employees	
Managing Stress for Managers	
Organizational Change	
People With Disabilities and Work for Employees	
People With Disabilities and Work for Managers	
Preventing Workplace Harassment – Employees	
Preventing Workplace Harassment – Managers	
Racial Harassment	
Sexual Harassment and Abusive Conduct Prevention for Managers (CA AB 1825 and 2053)	

Sexual Harassment Prevention for Managers	E
Workplace Violence Prevention	S E
Workplace Violence Prevention – Health Care and Social Service Workers	E
Workplace Violence Prevention – Late-Night Retail Establishments	E

Fire Extinguisher Safety
Flammable and Combustible Liquids
Hand, Wrist and Finger Safety
Hand, Wrist and Finger Safety Around Heavy Equipment
Hazard Communication
Hazard Communication <b>MINI-MODULE</b>
Hot Work
Housekeeping on the Job
Industrial Ergonomics
Lab Safety
Lockout/Tagout
Machine Guarding

Materials Handling and Storage <b>MINI-MODULE</b>
Office Ergonomics
Office Safety
Overhead and Gantry Crane Safety
Personal Protective Equipment (PPE) <b>BUNDLE</b>
Part 1 – Introduction
Part 2 – Head Protection
Part 3 – Eye and Face Protection
Part 4 – Hand and Arm Protection
Part 5 – Body Protection
Part 6 – Foot Protection
Part 7 – Hearing Conservation
Part 8 – Respiratory Protection
Part 9 – Electrical Protective Devices
Part 10 – Levels of Protection and Protective Gear
Personal Protective Equipment Overview
Preventing Back Injury
Preventing Slips, Trips and Falls
Resource Conservation Recovery Act (RCRA) – Part 1
Respiratory Protection
Semiconductor Chemical Safety – Part 1
Semiconductor Environmental, Health and Safety at Work
Semiconductor Hazardous Energy
Stormwater Pollution Prevention

#### Portuguese

Access to Medical and Exposure Records
Basic Rigging Principles – 2 Parts
Bloodborne Pathogens
Confined Space Hazards
Distracted Driver
Egress and Emergency Action Plans
Environmental Overview
Fall Protection
Fire Extinguisher Safety
Flammable and Combustible Liquids
Hand, Wrist and Finger Safety
Hand, Wrist and Finger Safety Around Heavy Equipment
Hazard Communication
Hazard Communication <b>MINI-MODULE</b>
Housekeeping on the Job
Industrial Ergonomics
Job Hazard Analysis
Lockout/Tagout
Machine Guarding
Materials Handling and Storage

## Courses Listed By Language

### Portuguese Cont'd

Office Ergonomics
Office Safety
Overhead and Gantry Crane Safety
Personal Protective Equipment (PPE) for Construction
Personal Protective Equipment (PPE) <b>BUNDLE</b>
Part 1 – Introduction
Part 2 – Head Protection
Part 3 – Eye and Face Protection
Part 4 – Hand and Arm Protection
Part 5 – Body Protection
Part 6 – Foot Protection
Part 7 – Hearing Conservation
Part 8 – Respiratory Protection
Part 9 – Electrical Protective Devices
Part 10 – Levels of Protection and Protective Gear
Personal Protective Equipment Overview
Preventing Back Injury
Preventing Slips, Trips and Falls
Stormwater Pollution Prevention

### Spanish

Access to Medical and Exposure Records
Accident Investigation and Root Cause Analysis
Aerial Lifts
Aerial Lifts for Construction
Applying Electrical Standards
Avoiding Rear-End Collisions – Large Vehicles
Avoiding Rear-End Collisions – Light Vehicles
Basic Rigging for Construction
Basic Rigging Principles – 2 Parts
Battery Safety for Telecommunications
Blocking and Cribbing for Heavy Equipment
Bloodborne Pathogens
Combustible Dust
Compressed Gas Cylinder Safety
Concrete and Masonry
Confined Space Hazards for Construction
Confined Space Hazards
Confined Space Hazards <b>INTERNATIONAL</b>
Confined Space Permit-Required
Crane Hand Signaling – 2 Parts
Crane Operator Safety for Construction
Defensive Driving – Large Vehicles
Defensive Driving – Small Vehicles
Distracted Driver
Driver Fatigue

Effective Supervision
Egress and Emergency Action Plans
Electrical Safety and Lockout/Tagout for Construction
Environmental Overview
Ergonomics for Heavy Equipment
Excavation and Trenching Safety
Extreme Driving Conditions
Fall Protection for Mobile Equipment
Fall Protection
Fire Extinguisher Safety
Fire Extinguisher Safety for Construction
Fire Prevention and Safety
Fire Watch
Flammable and Combustible Liquids
Fleet Safety
Guarding Floor and Wall Openings and Holes
Hand and Power Tool Safety
Hand and Power Tool Safety for Construction
Hand, Wrist and Finger Safety
Hand, Wrist and Finger Safety Around Heavy Equipment
Hazard Communication
Hazard Communication <b>MINI-MODULE</b>
Hazard Communication for Construction
Hazards of Changing Lanes – Large Vehicles
Hazards of Changing Lanes – Light Commercial Vehicles
Hazards of Speeding – Large Vehicles
Hazards of Speeding – Light Commercial Vehicles
Hazards of Tailgating – Large Vehicles
Hazards of Tailgating – Light Commercial Vehicles
HAZWOPER Refresher Training <b>BUNDLE</b>
Module 1 – Scope, Application and Training Requirements
Module 2 – Environmental Issues for HAZWOPER
Module 3 – Hazard Communication: Your Right to Know
Module 4 – Hazard and Risk Assessment Techniques
Module 5 – Toxicology
Module 6 – Monitoring and Medical Surveillance
Module 7 – Respiratory Protection
Module 8 – Personal Protective Equipment
Module 9 – Confined Spaces
Module 10 – Spill Prevention
Module 11 – Site Control
Module 12 – Decontamination
Module 13 – Emergency Response
Health Hazards in Construction
Hearing Conservation
Heat Stress

Housekeeping on the Job
Industrial Ergonomics
Injury and Illness Prevention Program
Introduction to Industrial Hygiene
Ladder Safety
Ladder Safety for Construction
Load Securement and Distribution
Lockout/Tagout
Machine Guarding
Machine Guarding <b>INTERNATIONAL</b>
Materials Handling and Storage
Materials Handling for Construction
Office Ergonomics
Office Safety
Office Safety <b>INTERNATIONAL</b>
Overhead and Gantry Crane Safety
Personal Protective Equipment (PPE) for Construction
Personal Protective Equipment (PPE) <b>BUNDLE</b>
Part 1 – Introduction
Part 2 – Head Protection
Part 3 – Eye and Face Protection
Part 4 – Hand and Arm Protection
Part 5 – Body Protection
Part 6 – Foot Protection
Part 7 – Hearing Conservation
Part 8 – Respiratory Protection
Part 9 – Electrical Protective Devices
Part 10 – Levels of Protection and Protective Gear
Personal Protective Equipment Overview
Personal Protective Equipment Overview <b>INTERNATIONAL</b>
Powered Industrial Trucks <b>BUNDLE</b>
Introduction to Powered Industrial Trucks
Pre-Operation Inspection and Maintenance
Stability and Handling Loads
Powered Industrial Trucks – Operators Overview
Preventing and Addressing Electrical Violations
Preventing Back Injury
Preventing Cuts and Puncture Wounds
Preventing Slips, Trips and Falls
Reasonable Suspicion Training for Alcohol and Substance Abuse
Recognizing Electrical Hazards
Respiratory Protection
Road Rage
Safe Backing and Turning
Safety and You
Safety Orientation

Scaffold Safety Awareness
Spill Prevention, Control and Countermeasures (SPCC)
Stop Signs and Signals – Large Vehicles
Stop Signs and Signals – Light Commercial Vehicles
Stormwater Pollution Prevention
Struck-By, Caught-Between
Using Electrical Safety Programs
Walking/Working Surfaces
Warehouse Safety
Welding, Cutting and Brazing
Welding, Cutting, and Brazing for Construction
Work Zone Safety
Worker Orientation for Construction
Workplace Violence Prevention
